Date: 28 Apr 20 Time: 1100-1245

Dial in Number: 706-545-4298 Passcode: 5375# (30 phone lines available)

ACM SBCT will conduct Industry Day telecom on 28 Apr 20 from 1000-1330 and we look forward to productive dialog with industry representatives. This is new for all of us, so please review agenda below.

Agenda:

1045 - Conference line open

1100-1145 COL Mason comments on required capabilities of the SBCT 2028 – 2040.

1145-1215 Industry partners discussion with ACM SBCT Director

1215-1245 line remains open as needed for any follow up coordination of appointments with Industry partners

INDUSTRY REPS: Due to the lack of phone lines, please have one representative call in for briefings of interest. This will afford everyone a chance to hear briefing and participate in the Q&A.

The intent of the meeting is to communicate the required capability for the SBCT in MDO 2028-2040. COL Mason will brief the presentation and open it up to questions.

We will leave the line open for an additional 30 mins to schedule appointments as needed after the Q&A is complete.

ACM Attendees: COL Mason, Mr. Edwards, Mr. Bergmann, SGM Maurin, LTC Thornton
